ORDER:

The Principal Chief Conservator of Forests & Head of Forest Force, Andhra Pradesh, in his letter 1st read above, has submitted a proposal under Forest (Conservation) Act, 1980, for diversion of 3.69 Ha of forest land in Compartment No. 216 & 205 of Paradarami R.F & Ragimanupenta R.F of Yadamarri Village, Bangarupalem Mandal, Chittoor District for quarrying of black granite, in favour of M/s Sri Jyotheeswaram Granites, Prop: Sri B.Bajalingam and requested to forward the same to Government of India, Ministry of Environment, Forests & Climate Change, for according necessary approval under Section-2 of Forest (Conservation) Act, 1980.

2. The said proposal was sent to Government of India, Ministry of Environment, Forests & Climate Change, for their approval under Section-2 of Forest (Conservation) Act, 1980 vide State Government letter 2nd read above.

3. Government of India, Ministry of Environment, Forests & Climate Change, vide their letter 3rd read above, have accorded in-principle (Stage-I) approval under Section-2 of Forest (Conservation) Act, 1980, for the proposal, subject to compliance of certain conditions as stipulated therein. Accordingly, the State Government vide letter 4th read above, have furnished compliance report on the conditions stipulated by the Government of India, Ministry of Environment, Forests & Climate Change, while according in-principle (Stage-I) approval.

4. Government of India, Ministry of Environment, Forests & Climate Change, in their letter 5th read above, have accorded (Stage-II) approval under Section-2 of Forest (Conservation) Act, 1980, for diversion of 3.69 Ha of forest land in Compartment No. 216 & 205 of Paradarami R.F & Ragimanupenta R.F of Yadamarri Village, Bangarupalem Mandal, Chittoor District for quarrying of black granite, in favour of M/s Sri Jyotheeswaram Granites, Prop: Sri B.Bajalingam, subject to compliance of certain conditions as stipulated therein.

5. after careful examination of the proposal, hereby accord permission to the Principal Chief Conservator of Forests & Head of Forest Force, Andhra Pradesh, for diversion of 3.69 Ha of forest land in Compartment No. 216 & 205 of Paradarami R.F & Ragimanupenta R.F of Yadamarri Village, Bangarupalem Mandal, Chittoor District for quarrying of black granite, in favour of M/s Sri Jyotheeswaram Granites, Prop: Sri B.Bajalingam, subject to the following conditions:-

- i. Legal status of the diverted forest land shall remain unchanged.

- ii. State Forest Department shall carry out compensatory afforestation and its maintenance over the non-forest land identified in Sy No.153, 154 & 164 of Zunzurupeta (Village), Thamballapalli Manal of Madanapalli Range of Chittoor District, Andhra Pradesh over equal in extent to the area of forest land proposed to be diverted in favour of the user agency (excluding the area of forest land falling in safety zone of the mining lease) from the amount realized from the user agency;
- iii. Non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation, shall be declared as Reserved Forest Under Section-4 or Protected forest under Section 29 of the Indian Forest Act, 1927 or under the relevant Section (s) of the State Forest Act. The Nodal Officer must report compliance within a period of 6 months from the date of grant of final approval and send a copy of the original notification declaring the non –forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the State Forest Act as the case may be, to the MoEF&C.C for information and record;
- iv. Following activities shall be undertaken by the User Agency at the project cost:-
 - a. A plan containing appropriate mitigative measures to minimize soil erosion and choking of streams shall be prepared and implemented;
 - b. Planting of adequate drought hardy plant species and sowing of seeds in the appropriate area within the mining lease to arrest soil erosion;
 - c. Construction of check dams, retention / toe walls to arrest sliding down of the excavated material along the contour;
 - d. Stabilize the overburden dumps by appropriate grading / benching so as to ensure that that angles of repose at any given place is less than 28°;
 - e. Strict adherence to the prescribed top soil management.
- v. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency.
- vi. User Agency in consultation with the State Forest Department shall create and maintain alternate habitat / home for the avifauna, whose nesting trees are to be cleared in this project. Bird nests artificially made out of eco-friendly materials shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project;
- vii. User Agency shall obtain the Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986;
- viii. The Surrounding Forest area shall be protected and rehabilitated as per the detail plan prepared by the Divisional Forest Officer concerned;
- ix. In case of the mining leases adjoining the habitation stretch of the boundary of the safety zone of the lease adjacent to the habitation /roads should be properly fenced by the user agency at the project cost to protect the vegetation / regeneration activities in the safety zone;
- x. Safety zone shall be maintained as green belt around the mining lease and to ensure dense canopy cover in the area, regeneration shall be taken in this area by the user agency at the project cost under the supervision of the State Forest Department.
- xi. State Government shall carry out Afforestation on degraded forest land, to be selected elsewhere, measuring one and half times the area under safety zone shall from the amount which has already been realized from the User Agency. Map of the degraded forest along with the DGPS co-ordinates shall be furnished to the Regional Office, Chennai within three months from the date of Stage –II approval;

- xii. Period of diversion of the said forest land under this approval shall be for a period of 10 years or co-terminus with the period of the mining lease proposed to be granted under the Mines and Minerals (Development and Regulation) amendment Act, 2015, or Rules framed there under whichever is earlier.
- xiii. User Agency either himself or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities to restock and rejuvenate the degraded open forest (having crown density less than 0.4), if any, located in the area within 100 meters from outer perimeter of the mining lease;
- xiv. User Agency shall undertake mining in a phased manner and take due care for reclamation of the land over area. The concurrent reclamation plan shall be executed by the user agency as per the approved mining plan / scheme and an annual report on implantation thereof shall be submitted to the Nodal Officer, Forest (Conservation) Act, 1980, Government of Andhra Pradesh and the Addl. Principal Chief Conservator of Forests (Central), Ministry of Environment, Forests, Regional Office (South Eastern Zone), Chennai. If it is found from the annual report that the activities indicated in the concurrent reclamation plan are not being executed by the user agency, the Nodal Officer or the Addl. Principal Chief Conservator of Forests (Central) may direct that the mining activities shall remain suspended till such time, such reclamation activities are satisfactorily executed;
- xv. No labour camps shall be established on the forest land;
- xvi. User Agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas;
- xvii. The layout plan of the proposal shall not be changed without the prior approval of the Central Government
- xviii. The User Agency and the State Government shall ensure compliance to the all Acts, Rules, Regulations and Guidelines of the Ministry, for the time being in force, as applicable to the project.
- xix. The forest land shall not be used for any purpose other than those specified in the proposal and total forest area utilized for the project shall not exceed 3.69 ha (including safety zone area). User Agency shall furnish an undertaking to this effect;
- xx. The forest land proposed to be diverted shall under no circumstances be transferred or sublet to any other agency or Department or person without prior approval of the Central Government.
- xxi. All other conditions proposed by the State Government at time of submission of the proposal to the Central Government shall be complied with by the user agency.
- xxii. The User Agency shall submit the annual self compliance report in respect of the above conditions to the Regional Office of the Ministry and to the State Government;
- xxiii. Any other conditions that the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.
- xxiv. In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai.

6. The Principal Chief Conservator of Forests & Head of Forest Force, Andhra Pradesh shall take necessary action in the matter accordingly.
